

small business resources

The Golden Isles Development Authority (GIDA) is committed to promoting entrepreneurship and supporting small businesses. GIDA understands that each business is unique and requires different resources at different times.

In addition to the Share the Future funding initiative, GIDA promotes the other organizations in our region that can help your business from startup to growth mode.

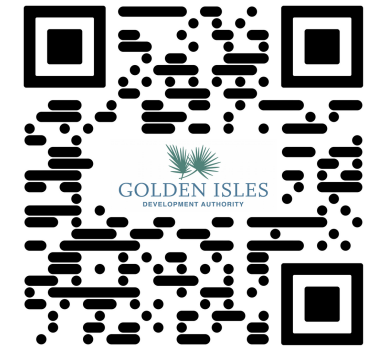

Scan the code to visit the online resource guide and begin exploring available help to your business.

Not sure where to start? Contact GIDA to discuss your goals at info@goldenisesdev.com, or call at (912) 265-6629.

small business resources

Use this at-a-glance guide to find the resource provider you need to help you reach your business goals. Scan the QR code for the online version.
